

# 2017 Cell Biology and Vascular Biology Retreat

---

## CALL FOR ABSTRACTS

The **2017 Cell Biology and Vascular Biology Retreat** will be held on **Tuesday, April 18, 2017** at the Pond House in Elizabeth Park. In anticipation of this event, we are now calling for scientific abstracts from all trainees, faculty and staff associated with the Cell Biology and Vascular Biology programs.

The **deadline** for abstract submissions will be Friday, March 17, 2017.

### **Submission of Abstracts:**

Abstracts should be submitted in a single Word document file to **Tracy Uliasz**, [tuliasz@uchc.edu](mailto:tuliasz@uchc.edu). Abstracts should be prepared using the following guidelines.

### **Abstract Format**

#### Poster or Presentation

Authors should indicate their preference to present their work as either a poster or oral presentation. Unfortunately, given the constraints on time, not all oral presentations can be selected for inclusion in the program but these can be presented as posters.

#### Title

Titles for abstracts should be succinct and accurately describe the research to be presented. All authors involved in the research project and their affiliations should be given. The e-mail address of the presenting author should be provided for future communication with the organizing committee.

#### Body of Abstract

The text of the body of the abstract should be 500 words or less.
